After-School Program

We are conducting a survey to see how many parents would be interested in having their child attend an After-School Program. If you are interested in utilizing this program, please watch for notes to go home for registering your child(ren) . If you need a survey form call the school office at 785-263-8248.

Weather Guidelines

As cooler weather approaches, here are a few reminders of our cold weather guidelines.

* Please see that your child is dressing appropriately for cooler weather with long sleeve shirts and long pants. This will also include wearing socks with shoes.
* Students need to wear jackets/coats when the outdoor temperature is 50 degrees or lower. A hoodie is not a jacket that will block wind, nor is it a coat.
* If the wind chill temperature is 20 degrees or lower, students will have an indoor recess. Physical activity, fresh air, and playing outside are a part of your child's school day. Hats, gloves, scarves, etc, will help keep them warm. We appreciate your support in helping your child be comfortable while at school.

Thank you to the students and parents for making the Enterprise Elementary Yankee Candle Fundraiser a success this year!

Rock Star Awards are handed out every Friday at 3:10 during closing circle with the exception of early dismissal days. Mrs. Diehl will call parents of Rock Star recipients informing them that their child will receive this award and when.
