

3rd Grade Choice Board
April 6th - 10th

Please try to pick 3-5 activities each day to meet the state recommended 60 minutes of instruction time.

<u>Social-Emotional</u>	<u>Math</u> *Practice MEMORIZING multiplication facts <u>EVERY DAY!</u>	<u>Language Arts</u> *Read for 20 minutes <u>EVERY DAY!</u> (practice fluency by reading aloud)	<u>Music</u> Sing "Take Me Out to the Ball Game." The words are at the bottom of this page.	<u>PE</u> Pretend to jump rope for 1 minute. Rest until you catch your breath and repeat 5 times.
Write down 10 things that you are thankful for.	Draw 5 rectangles. Each rectangle should have a different length and width (don't forget your labels!) Find the area and perimeter of each rectangle.	Practice your spelling words sent by your classroom teacher in 3 different ways (examples: rainbow, stairs/stacks, rhyming words, or any other way that you want to practice). Have someone test you on them at the end of the week. :)	Follow this link. Sing the song and act it out. https://www.bing.com/videos/search?q=take+me+out+to+the+ball+game+youtube&ru=%2fsearch%3fq%3dtake%2520me%2520ut%2520to%2520the%2520ball%2520game%2520youtube%26pc%3dcosp%26ptag%3dG6C999N1234D010218A316A5D3C6E%26form%3dCONBDF%26conlogo%3dCT3210127&view=detail&mid=2E338F4E2C05F78F71012E338F4E2C05F78F7101&&FORM=VDRVRV	Find something you can drop-kick outside like a ball or a durable stuffed animal. How far can you kick it? Can you kick it to yourself and catch it? If you have someone, drop-kick it back and forth and try to catch your partner's kick.
Make a card, picture, or note for someone that has done something kind for you.	Build a model of your rectangles using blocks, Legos, or any other resource you have.	An adjective is a describing word (green, round, tall). Find 10 people or items that you can describe and write an adjective for each.	Make your own baseball diamond. If you don't have the equipment, use your imagination. Try a coat hanger for a bat and wad up a piece of paper for the ball. Use a box for a target and see how far you can hit the "ball."	Run in place or go run outside while you sing the alphabet. Do this 3 times. Do shoulder taps counting by 3's to 30 then counting by 4's to 40.
Ask a friend or family	Write 3 multiplication	Interview a family	Take turns having a 7th	Do 10 jumping jacks in

<p>member about their job. What is it called? What do they do?</p>	<p>word problems. THEN, draw pictures, arrays, or repeated addition to show how you solved them.</p>	<p>member about the coronavirus and how it has changed their life. Record their answers and write a paragraph about it.</p>	<p>inning stretch and sing "Take Me Out to the Ball Game."</p>	<p>each room. See if you can hold a plank for 1 minute.</p>
<p>Practice using an I feel statement!</p> <ol style="list-style-type: none"> 1. I Feel 2. When 3. Because 4. I need / Could you please 	<p>Draw a square. Divide it into 4 equal parts. THEN label each fourth with the correct fraction. Draw a circle. Divide it into 6 equal parts. THEN label each sixth with the correct fraction.</p>	<p>Choose 5 items from your morning routine. Sequence them and then write them down on a timeline or in a paragraph using time order words (First, second, then, next, last).</p>	<p>Make up a new verse about a different sport.</p>	<p>Do 5 sit-ups in the corner of the room. Hop on 1 foot for 30 seconds then switch to the other foot for 30 seconds.</p>
<p>Take some time to practice mindfulness. Find a Cosmic Kids Yoga video on Youtube or practice breathing exercises that you already know.</p> <p>Example:</p> <ol style="list-style-type: none"> 1. Balloon Breath 2. Hot Cocoa Breath 3. Belly Breathing 	<p>Go on a walk outside. Look for the following items: trees, birds, flowers, insects, and vehicles. Record your data in a tally chart. When you are done collecting the data, make a bar graph to show your results. (Remember all of your titles and labels.)</p>	<p>Remember a fact is something you can prove; an opinion is your thoughts or feelings. <u>Write</u> 3 FACTS and 3 OPINIONS about spring.</p>	<p>Take Me Out To the Ball Game has 3 beats in a measure. Can you dance to this song?</p>	<p>Find something you can throw. If you are inside use something soft. Toss it in the air and see how many times you can catch it before you drop it. Now toss and catch with one hand. Switch hands. Can you toss it under one leg and catch it? Can you toss it and catch it behind your back?</p>

Take Me Out to the Ball Game

[Edward Meeker](#)

Take me out to the ball game,

Take me out with the crowd.

Buy me some peanuts and cracker jack,

I don't care if I never get back,

Let me root, root, root for the home team,

If they don't win it's a shame.

For it's one, two, three strikes, you're out,

At the old ball game.
