

WEEK 4 & 5 APRIL 20th - May 1st

Please know we understand not everyone has the technology to complete all of these activities. Your child is free to choose as many activities to do through the week as they would like. Please keep in mind the state is recommending students in 5th grade have 90 minutes of instruction time per day. This does NOT have to be consecutive. You may break this time into chunks throughout the day. We want to stress that grades are NOT a priority at this time. Please contact your teacher for any class codes or passwords that you may need.

**SEL** ~ Do something nice for someone at home without being asked.

-Listen to one song that makes you smile and share it with the people at home. Example, "Humble and Kind" by Tim McGraw.

-Write down 3 good things that happen each day in your writing journal.
