

WEEK 2 & 3 APRIL 6th - 17th

Please know we understand not everyone has the technology to complete all of these activities. Your child is free to choose as many activities to do through the week as they would like. Please keep in mind the state is recommending students in 5th grade have 90 minutes of instruction time per day. This does NOT have to be consecutive. You may break this time into chunks throughout the day. We want to stress that grades are NOT a priority at this time. Please contact your teacher for any class codes or passwords that you may need.

Some great performers are The Chieftains, Celtic Woman and Riverdance.</p> <p>YT Videos: We're going to learn to dance an Irish jig in</p>

## Homemade Peanut Butter Cups

### Ingredients:

16 oz Semisweet chocolate  
½ Cup Creamy Peanut Butter  
2 TBSP Butter  
¼ Cup + 2 TBSP Confectioners Sugar

Line muffin tin with cupcake liners

Melt half the chocolate and distribute it in the bottom of cupcake wrappers- drop pan repeatedly on counter to spread the chocolate- Freeze for 15 minutes!

Whip PB, Butter and Confectioners Sugar together. Drop dallops into each muffin cup- flatten by dropping and freeze again.

Melt remaining chocolate and cover PB layer- drop pan to flatten one final time. May Freeze or refrigerate before serving!

-Write down 3 good things that happen each day in your writing journal

[Virtual Tour National Museum of Natural History](#)

[Liberty Kids](#) - shows. (Library card needed)

Tour George Washington's House!  
[Mount Vernon Tour](#)

## **-Make your own bubbles!**

- 1/2 cup corn syrup
- 3 cups water
- 1 cup dish soap (lots of parents swear by Dawn or Joy for bubble making)

Tip: Stir the corn syrup into the water first. Then gently mix in dish soap, trying not to form any bubbles in the process! Use bubble wands, or see what you can find around the house — toilet paper rolls, kitchen tools, and straws are all good options.

**POST PICTURES playing with your bubbles!** *No Corn Syrup? No problem! Try this recipe instead:*

### **-Educational TV SHOWS**

How It's Made, Cosmo's , Planet Earth, MythBusters... Go to NETFLIX and search under Science and Nature!

-Go outside at night and look at the night sky. Chart the moon phases. Draw a picture of what you see. Look for constellations. Have parents help you find the dippers!
