Dickinson County School Superintendents:

COVID-19 cases have increased across our county, state, and nation. Dickinson County is in the “red” according to the KSDE Gating Criteria. This would recommend remote learning for all grades and eliminate sports.

We recommend the following for Dickinson County Schools:

- Grades 6-12 go to remote learning for 30 days
- Grades Pre-K-5 remain in person
- Winter sports and practice cease for middle school until after December 31, 2020
- Winter sports and practice cease for high school until after December 31, 2020

Respectfully,

Brian Holmes, MD  
Dickinson County Health Officer
